

BlackBerry® Pearl™ 8120 Smartphone

The BlackBerry Pearl 8120 combines the great functionality of the BlackBerry® Pearl 8100 smartphone with advanced multimedia features. This latest addition to the BlackBerry range incorporates a 2 megapixel camera, video capture and Wi-Fi for fast browsing and attachment viewing.

Designed for...

Customers who want a compact, stylish all-in-one device for voice, push email, browsing and applications plus high quality multimedia capabilities.

A bit more detail...

- 802.11b/g Wi-Fi technology – browse faster, download attachments quickly and email whilst on a call¹
- 2.0 megapixel camera with flash, media-player, audio and video
- 64MB expandable memory externally accessible for fast switching between media files
- 1GB micro SD card included in the box – perfect for storing your photos, videos and MP3s. Externally accessible so you can swap files quickly
- Spell-checker keeps messages professional
- Improved SureType® with word completion for faster typing.

A few great reasons to choose BlackBerry Pearl 8120

- Slim, sleek design in cool blue
- Good battery life – up to 3.5 hours talk time/15 days standby time
- Top and rear loudspeaker ports – for improved hands free voice calling and conference calling
- Stereo Bluetooth® support
- Use Wi-Fi and multi task with the BlackBerry Pearl 8120 – send and receive e-mails, and make calls simultaneously.
